# About Us

IT Precast Udyog, a Mfg. unit of Jaiswal Infratech & Engineers, situated at Mineral Cluster, Karami, Singrauli, MP and specializes in premium prestressed precast products that are durable, cost-effective, and eco-friendly. Our key offerings include:

- Prestressed Boundary Walls – strong, quick-to-install, and long-lasting
- Prestressed Fencing Pole - Variable sizes for Mines, Forest Cover etc.
- Interlocking Pavers – stylish, functional, and durable
- Kerb Stones – for neat and defined landscapes
- JJM Stand Posts – reliable for water supply projects
- Temporary Housing Solutions – smart, fast, and sustainable alternatives

With advanced techniques and a customer-first approach, we deliver future-ready precast solutions for residential, commercial, and industrial projects.

# MEET OUR FOUNDER

Anil Kumar Jaiswal, Founder of JIT Precast Udyog and CEO of Jaiswal Infratech & Engineers, brings over 15 years of experience in India and overseas. With expertise in corporate leadership, site execution, and business development, he drives sustainable, high-quality, and future-ready precast solutions.

# OUR OFFERINGS

SAFE YOUR PREMISE WITH  
PRECAST BOUNDARY

[www.jitprecast.in](http://www.jitprecast.in)

# PRESTRESSED PRECAST BOUNDARY

*JIT Precast Udyog manufactures Prestressed Precast Boundary Walls in M30 grade concrete (with well-graded aggregates), using OPC cement, river sand, and ensuring high strength, durability, and dimensional accuracy.*

- Column: 150 × 150 mm (H: 2100 – 3600 mm)
- Panel: 2130 × 50 × 300 mm

*Backed by our in-house production & installation team, we deliver walls that are quick to install, low-maintenance, cost-effective, and eco-friendly, while enhancing both security and aesthetics.*

# PRESTRESSED FENCING POLE

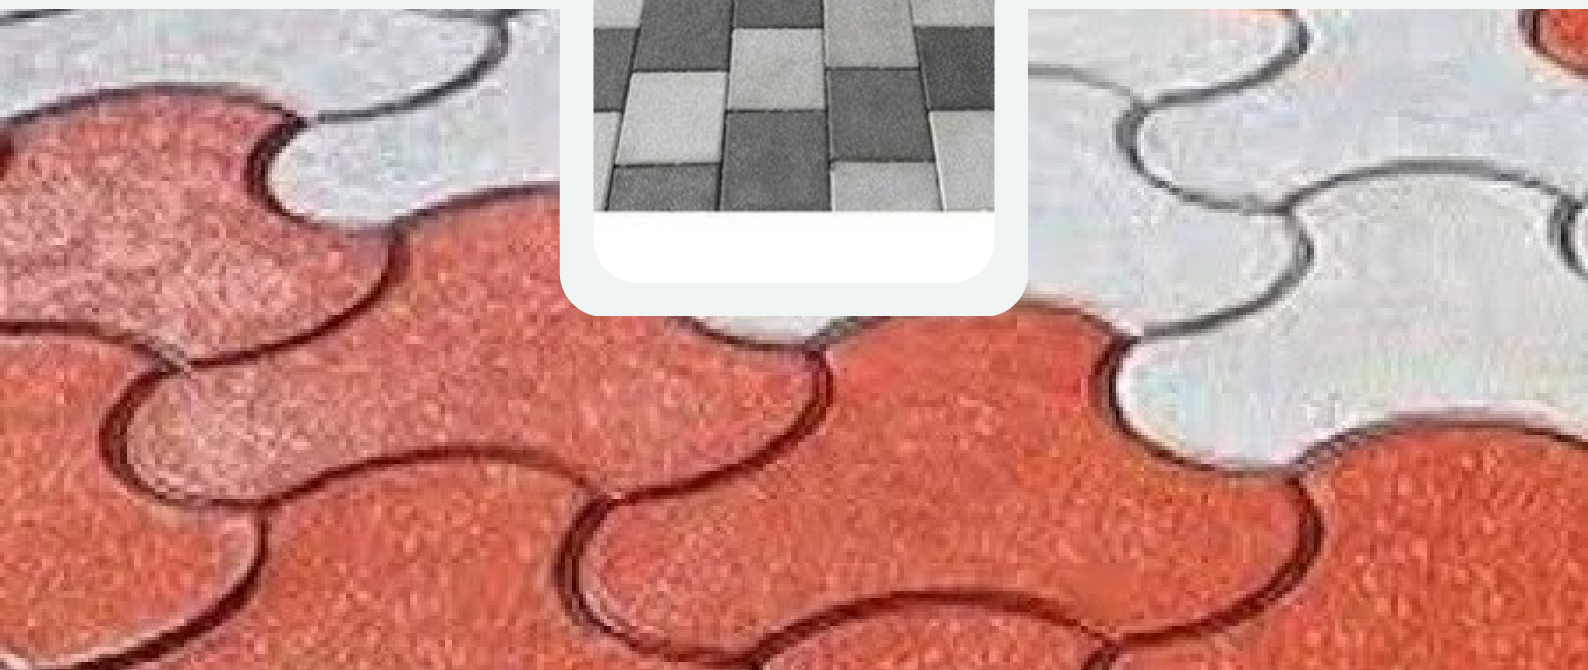

*JIT Precast Udyog produces Prestressed Fencing Poles of size 100 × 100 mm (Height: 1500–3000 mm), manufactured using high-quality concrete and reinforced with 4 Nos. of 4 mm HT (High Tensile) wires. These poles are designed for superior strength, crack resistance, and long-term durability.*

*Engineered under controlled factory conditions, they ensure uniform quality and easy installation, making them a reliable and cost-effective solution for supporting precast boundary wall panels in residential, commercial, and industrial fencing projects.*

# PRECAST BLOCKS

**JIT Precast Udyog** offers a wide range of precast blocks including Zig-Zag Paver Blocks, I-Shaped Pavers, Kerb Stones, and more. Designed with M40+ grade concrete, our blocks are ideal for gardens, parking areas, pathways, and roads, combining strength, durability, and aesthetic appeal.

ABOUT OUR

## PRECAST HOUSE

*JIT Precast Udyog offers Precast Houses as a quick, durable, and cost-effective solution for temporary infrastructure such as site offices, godowns, schools, colleges, and labour huts.*

*Benefits:*

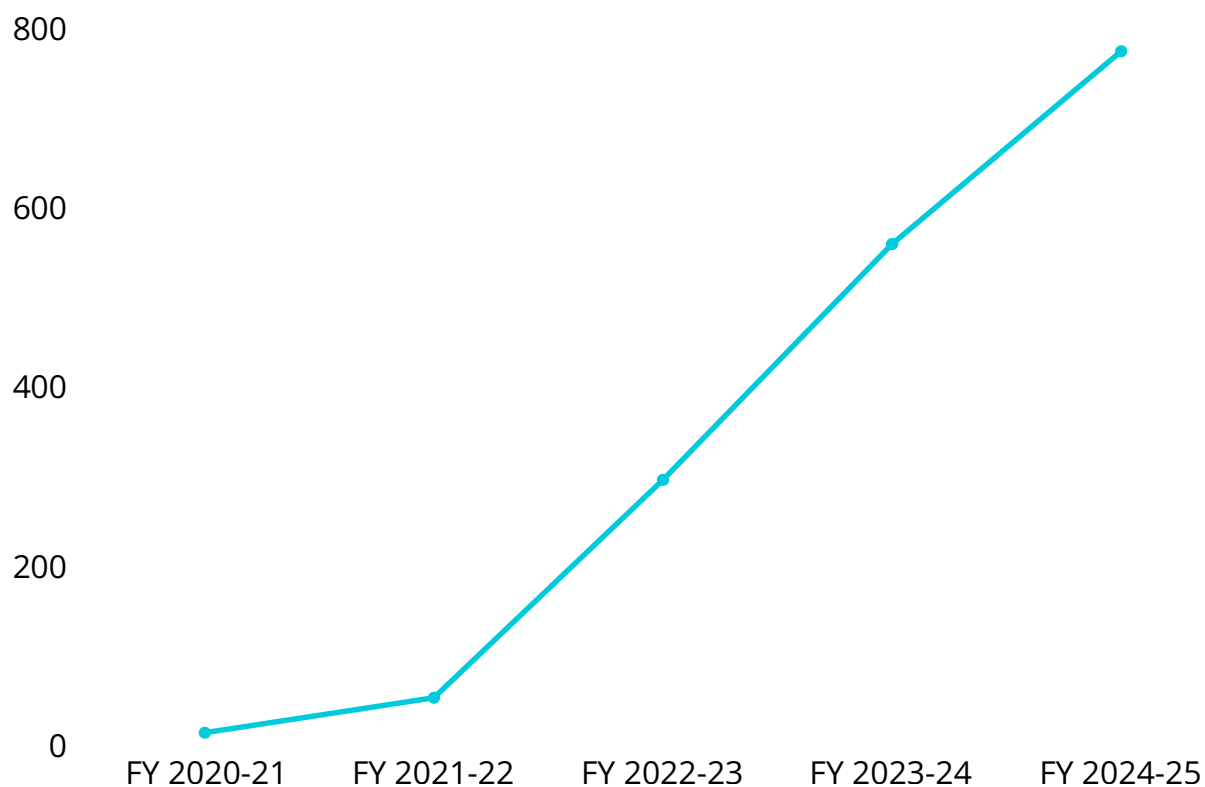

- *Fast installation with factory-made Prestressed Column & Panels*
- *Strong & durable with precast concrete*
- *Cost-effective & reusable for multiple uses*
- *Low maintenance & eco-friendly*

*Ideal for projects needing temporary yet reliable structures, our precast houses ensure speed, quality, and sustainability.*
